REFERRAL PROGRAMME

Give a month, get a month.

Most of our clients come to us through a neighbour or a friend. We would like to thank you for that properly: a month free, for you and for them.

YOU

1 month free

Your free month comes off your next invoice.

YOUR FRIEND

11th month free

On a Silver or Gold subscription.

Your friend books a one-off Bronze deep clean instead? They get a free follow-up visit 3 months later, or 15% off, up to 300 AED.

Earned on your friend's first payment

As many friends as you like: each one who signs up is another month free, one month per invoice, stacked forward.

How to refer

- Tell them to message Gaia on WhatsApp and mention your name. That is all.
- You can also tell us yourself that you are referring a friend, and their name.
- If you would rather send them something, ask us and we will give you a personal link.
